

LyondellBasell's Wesseling crackers in Germany to restart soon: source
Platts.com, 6th Nov 2018

LyondellBasell will soon restart its two crackers in Wesseling, Germany, after a more than month-long maintenance outage, a source close to the company said Tuesday.

The two crackers have the capacity to produce 735,000 mt/year and 305,000 mt/year, respectively, of ethylene and were shut in September for maintenance. LyondellBasell was not available for comments.
