

Gujarat State Fertilizers & Chemicals Ltd announces maintenance of plant

Equity Bulls, 9th Apr 2019

The annual shutdown of Gujarat State Fertilizers & Chemicals Ltd's (GSFC) Ammonia - IV plant of Baroda Unit will start from 13th April 2019 for a period of 50 days i.e. till 1st June 2019. Due to this, Urea-II plant will also undergo shutdown due to non-availability of CO₂ gas which is by product of Ammonia-IV plant. Few other connected plants like Caprolactam-I, AS-II and SA-II will also be stopped for planned maintenance.

GSFC has made an alternate arrangement to minimize the production losses of various Fertilizers & Industrial Products and the company is also ensuring continuous supply of Fertilizer Products to consumers from its production facilities from Sikka Unit plants.
