

INDIANOIL TO INVEST ₹13,805 CR TO SET UP NEW PLANT IN ODISHA

PTI Bhubaneswar

Updated on August 02, 2020

The paraxylene and purified terephthalic acid plant will be integrated with the IOC's refinery facility in the port town of Jagatsinghpur district.

Indian Oil Corporation Ltd (IOCL) will invest ₹13,805 crore in setting up a plant in Odisha's Paradip to manufacture raw materials for the textile sector, an official said on Sunday.
